(In the space provided below, please explain in detail the reasons for the delay in filing a proper reply.)

On June 13, 2003, Respondent faxed in a Response to a March 26, 2003 Office Action based on Conversations with the Examiner. The Response was faxed in since the Patent Office is currently suggesting this as one of the preferred methods of submitting responses. For some reason unknown to Respondent, Examiner did not receive Response. According to Respondent's records, Respondent left message to Examiner after the Response was faxed. Due to Examiner not receiving Response Application went abandon.

(Please attach additional sheets if additional space is needed.)
